**Objective:** City of Vico Equense “UNESCO Creative Cities Network” - Gastronomy 2023.  
Letter of endorsement

Dear Dr Aiello,

we have acknowledged with pleasure the initiative undertaken by the City of Vico Equense to participate in the UNESCO Creative Cities Network, in the field of gastronomy 2023.

I fully support the growing attention placed by the City of Vico Equense to training and educational opportunities for people and professionals who want to start a career in the gastronomic industry.

As Lazzarelle, we are a social enterprise that has been producing coffee in the Pozzuoli women's prison for the past 10 years, and for the past two years we have opened a bistro in Naples that employs women on semi-release or out-of-work, strengthening their skills in the kitchen, as cooks and in the management of the hall and facility. Through gastronomy we create the possibility of a new life for the women who work with us.

I thus express my support to the City of Vico Equense in providing knowledge-sharing as well as educational and training courses, with the aim of creating culinary excellence and collaborative networks.

I take this opportunity to extend my warmest greetings and best wishes for the success of this initiative.

Best Regards

Lazzarelle

The President, Imma Carpiello
