Subject: UNESCO Creative City of Gastronomy. Endorsement letter

The association Pizza a Vico, in congratulating the choice to propose the candidacy of the City of Vico Equense to the UNESCO Creative City of Gastronomy, is pleased and honored to adhere to the proposed partnership agreement.

We consider important the dissemination and participation of the realities operating in the territory in this process

We are aware of the importance of increasing the attention to our product "Pizza di Vico" and we share the choice to enhance the indissoluble link between our art and creativity.
